

The Grand Oral Exam of Sciences Po Grenoble-UGA

This oral presentation, in front of a jury, marks the completion of the multidisciplinary training in the undergraduate program. It draws on all the knowledge and skills acquired during the three years.

- Préparation time : 1h
- Duration: 30 min = 10min for the presentation + 20min for the jury's questions
- Validation of 3 ECTS

It is about verifying:

- **Methodological skills:**

Organizing a text commentary, highlighting the current issues, and discussing the theses presented in the text with a critical perspective

or

Organizing a presentation around a concept, a title, or a question: problematizing and developing a reasoned argument

- **Disciplinary skills:**

Drawing on empirical or theoretical knowledge in political science, economics, history, law, or sociology in order to contextualize your presentation

The student will randomly select 2 topics: **one text** and **one question**, from which the student can choose.

The 2 types of topics:

1. **"Questions"**: These are not necessarily questions but can also be titles, short statements, etc.

Presentation in the form of an essay (dissertation-style): The student must problematize the topic and build an outline around it.

2. **The Texts**: Length: 5 - 10 lines

The text must be read before the presentation.

Presentation: Text Commentary / to be completed with personal reflections and comments.
